(f) the right of the Association, acting by and through its Board of Directors, to grant licenses, rights-of-way and easements for access or for the construction, reconstruction, maintenance and repair of any utility lines or appurtenances, whether public or private, to any municipal agency, public utility, the Declarant or any other person; provided, however, that no such licenses, rights-of-way or easements shall be unreasonably and permanently inconsistent with the rights of the members to the use and enjoyment of the common areas and community facilities; and

Any member of the Association may delegate his rights to the use and enjoyment of the common areas and community facilities to the members of his family who reside permanently with him and to his tenants, contract-purchasers and guests, all subject to such reasonable rules and regulations which the Association may adopt and uniformly apply and enforce.

#### ARTICLE V

Section 1. Annual Maintenance Assessments. Except as assessments of the Declarant is limited by the provisions of Article VI of this Declaration, each person, group of persons, corporation, partnership, trust or other legal entity, or any combination thereof, who becomes a fee owner of a lot within The Property, (i.e., each Class A member of the Association), by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay the Association, in advance, a monthly sum (hereinafter elsewhere sometimes referred to as "maintenance assessments") equal to one-twelfth (1/12) of the member's proportionate share of the sum required by the Association, as estimated by its Board of Directors, to meet its annual expenses, including but in no way limited to the following:

(a) the cost of all operating expenses of the common areas and community facilities and the services furnished to or in connection with the common areas and community facilities, including charges by the Association for any services furnished by it; and

(b) the cost of necessary management and administration of the common areas and community facilities, including fees paid to any Management Agent; and

(c) the amount of all taxes and assessments levied against the common areas and community facilities; and

(d) the cost of liability insurance on the common areas and community facilities and the cost of such other insurance as the Association may effect with respect to the common areas; and

(e) the cost of utilities and other services which may be provided by the Association, whether for the common areas and community facilities or for the lots, or both; and

(f) the cost of maintaining, replacing, repairing, and landscaping the common areas, including, without limitation, maintenance of any storm water detention basins or the like located upon the common areas and the cost of the maintenance of all pathways upon the property, together with such equipment as the Board of Directors shall determine to be necessary and proper in connection therewith; and

(g) the cost of funding all reserves established by the Association, including, when appropriate, a general operating reserve and a reserve for replacements.

The Board of Directors shall determine the amount of the maintenance assessment annually, but may do so at more frequent intervals should circumstances so require. Upon resolution of the Board of Directors, installments of annual assessments may be levied and collected on a quarterly, semi-annual or annual basis rather than on the monthly basis hereinabove provided for. Any Class A member may prepay one or more installments on any annual maintenance assessment levied by the Association, without premium or penalty.

The Board of Directors shall prepare, or cause the preparation of an annual operating budget for the Association which shall provide, without limitation, for the management, operation and maintenance of the common areas. The Board of Directors of the Association shall make reasonable efforts to fix the amount of the annual maintenance assessment against each lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the lots and the annual maintenance assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any owner upon reasonable notice to the Board. Written notice of the annual maintenance assessments shall thereupon be sent to the members. The omission by the Board of Directors, before the expiration of any assessment period, to fix the amount of the annual maintenance assessment hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article or a release of any member from the obligation to pay the annual maintenance assessment, or any installment thereof, for that or any subsequent assessment period, but the annual maintenance assessment fixed for the preceding period shall continue until a new maintenance assessment is fixed. No member may exempt himself from liability for maintenance assessments by abandonment of any lot belonging to him or by the abandonment of his right to the use and enjoyment of the common areas and community facilities.

Except as may be specifically provided for herein, this Declaration does not contemplate that the Association shall have any responsibility for the maintenance or repair of the dwellings or their appurtenances and the responsibility and duties of the Association for maintenance and repairs shall be limited to the common areas and community facilities; provided, however, that the Association shall have the responsibility for the maintenance and repair of the private streets and roadways as more fully provided for in Article VI of this Declaration. The owner of any lot shall, at his own expense, maintain his lot and dwelling, and any and all appurtenances thereto, in good order, condition and repair and in a clean, sightly and sanitary condition at all times.

Section 2. Special Maintenance Assessments. In addition to the regular maintenance assessments authorized by this Article, the Association may levy in any assessment year a special maintenance assessment or assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, inordinate repair or replacement of a described capital improvement located upon, or forming a part of the common areas and community facilities, including the necessary fixtures and personal property related thereto, or for such other purpose as the Board of Directors may consider appropriate; provided that any such assessment shall have the assent of the members representing two-thirds (2/3) of each class of the then members of the Association. A meeting of the members shall be duly called for this purpose.

Section 3. Reserves for Replacements. The Association may establish and maintain a reserve fund for replacements of the common areas and community facilities by the allocation and payment monthly to such reserve fund of an amount to be designated from time to time by the Board of Directors. Such fund shall be conclusively deemed to be a common expense of the Association and may be deposited with any banking institution, the accounts of which are insured by any State or by an agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. The reserve for replacements of the common areas and community facilities may be expended only for the purpose of affecting the replacement of the common areas and community facilities, major repairs to any storm drainage facilities developed as a part of The Property, equipment replacement, and for start-up expenses and operating contingencies of a non-recurring nature relating to the common areas and community facilities. The Association may establish such other reserves for such other purposes as the Board of Directors may from time to time consider to be necessary or appropriate. The proportional interest of any member in any such reserves shall be considered an appurtenance of his lot and shall not be separately withdrawn, assigned or transferred or otherwise separated from the lot to which it appertains and shall be deemed to be transferred or otherwise separated from the lot to which it appertains and shall be deemed to be transferred with such lot.

Section 4. Annual Maintenance Assessments. The initial maximum annual maintenance assessment for each of the lots to which Class A membership is appurtenant shall not exceed the sum of One Hundred Forty-Four and \* \* \* No/100 Dollars (\$144.00) per annum. The annual maintenance assessment shall be levied at a uniform rate for each lot to which Class A membership is appurtenant.

Section 5. Increase in Maximum Annual Maintenance Assessment.

(a) from and after January 1, 1983, the maximum annual maintenance assessment for all Class A memberships hereinabove provided for, may be increased by the Board of Directors of the Association, without a vote of the Class A membership, by an amount equal to ten percent (10%) of the maximum annual assessment for the preceding year plus the amount by which any ad valorem real estate taxes and casualty and other insurance premiums payable by the Association have increased over amounts payable for the same or similar items for the previous year.

(b) from and after January 1, 1983, the maximum annual maintenance assessments for all Class A memberships hereinabove provided for may be increased above that established by the preceding paragraph by a vote of the members, as hereinafter provided, for the next succeeding year and, thereafter, at the end of such year, for each succeeding year. Any change made pursuant to this paragraph shall have the assent of a majority of the then Class A members of the Association and a majority of the then Class B members of the Association. A meeting of the members shall be duly called for this purpose.

ARTICLE VI

Section 1. Annual Supplementary Townhouse Maintenance Assessments. In addition to the annual maintenance assessments provided for in Article V of this Declaration, and not in lieu thereof, each person, group of persons, corporation, partnership, trust or other legal entity, or any combination thereof, who becomes a fee owner of a townhouse lot within The Property, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay the Association, in advance, a monthly sum (hereinafter sometimes referred to as "townhouse maintenance assessments") equal to one-twelfth (1/12th) of the member's proportionate share of the sum required by the Association, as estimated by its Board of Directors, to meet its annual expenses of maintaining the private streets and roadways, including, but not necessarily limited to, the following:

(a) the cost of maintaining, replacing and repairing the private streets and roadways, in whole or in part, including, without limitation, snow removal, parking area striping, sweeping and washing, specialty signing, the maintenance, repair and replacement of "cluster" mailboxes, and the like; and

(b) the cost of funding a separate reserve to be established by the Association for the non-recurring repair and replacement of the private streets and roadways, in whole or in part.

The Board of Directors shall determine the amount of the townhouse maintenance assessments annually, but may do so at more frequent intervals should circumstances so require. Upon resolution of the Board of Directors, installments of annual townhouse maintenance assessments may be levied and collected on a quarterly, semi-annual or annual basis rather than on the monthly basis hereinabove provided for. Any Class A member may prepay one or more installments on any annual townhouse assessment levied by the Association, without premium or penalty.

The Board of Directors shall prepare, or cause the preparation of an annual maintenance budget for the private streets and roadways. The Board of Directors of the Association shall make reasonable efforts to fix the amount of the annual townhouse maintenance assessment against each townhouse lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the townhouse lots and the annual townhouse maintenance assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any owner upon reasonable notice to the Board. Written notice of the annual townhouse maintenance assessments shall thereupon be sent to the members. The omission by the Board of Directors, before the expiration of any assessment period, to fix the amount of the annual townhouse maintenance assessment hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article or a release of any member from the obligation to pay the annual townhouse maintenance assessment, or any installment thereof, for that or any subsequent assessment period, but the annual townhouse maintenance assessment fixed for the preceding period shall continue until a new townhouse maintenance assessment is fixed. No member may exempt himself from liability for townhouse maintenance assessments by abandonment of any townhouse lot belonging to him or by the abandonment of his right to the use and enjoyment of the private streets and roadways.

Section 2. Special Townhouse Maintenance Assessments. In addition to the regular townhouse maintenance assessments authorized by this Article, the Association may levy in any assessment year a special townhouse assessment or assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, inordinate repair or replacement of a described capital improvement located upon, or forming a part of the private streets and roadways; provided, however, that any such special townhouse maintenance assessment shall have the assent of the owners of not less than two-thirds (2/3) of the townhouse lots.

Section 3. Reserve for Repairs and Replacements of the Private Streets and Roadways. The Association shall establish and maintain a separate reserve fund for repairs and replacements (in whole or in part) of the private streets and roadways by the allocation and payment periodically to such reserve fund of an amount to be designated from time to time by the Board of Directors. Such fund may be deposited in any banking institution, the accounts of which are insured by any State or by an agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. The reserve for repairs and replacements (in whole or in part) of the private streets and roadways may be expended only for the purpose of affecting the repairs and replacement (in whole or in part) of the private streets and roadways and for operating contingencies of a non-recurring nature relating to the private streets and roadways.

Section 4. Annual Townhouse Maintenance Assessments. The initial maximum annual townhouse maintenance assessment for each of the townhouse lots shall not exceed the sum of One Hundred Eight and \* \* \* NO/100 Dollars (\$108.00) per annum. The annual townhouse maintenance assessment shall be levied at a uniform rate for each townhouse lot.

Section 5. Increase in Maximum Annual Townhouse Maintenance Assessment.

(a) From and after January 1, 1983, the maximum annual townhouse maintenance assessment hereinabove provided for may be increased by the Board of Directors of the Association, without a vote of the Class A membership and without a vote of the then owners of the townhouse lots, by an amount equal to ten percent (10%) of the maximum annual townhouse maintenance assessment for the preceding year.

(b) From and after January 1, 1983, the maximum annual townhouse maintenance assessment hereinabove provided for may be increased above that established by the preceding paragraph by a vote of the then owners of the townhouse lots, as hereinafter provided, for the next succeeding year and, thereafter, at the end of such year, for each succeeding year. Any change made pursuant to this subparagraph shall have the assent of a majority of the then owners of the townhouse lots. A meeting of the members shall be duly called for this purpose.

#### ARTICLE VII

Section 1. Non-Payment of Assessments. Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid on the date when due shall be delinquent and shall, together with interest thereon and the cost of collection thereof, as hereinafter provided, thereupon become a continuing lien upon the lot or lots belonging to the member against whom such assessment is levied and shall bind such lot or lots in the hands of the then owners, his heirs, devisees, personal representatives and assigns. The personal obligation of the member to pay such assessment shall, in addition, remain his personal obligation for the statutory period and a suit to recover a money judgment for non-payment of any assessment levied pursuant to this Declaration, or any installment thereof, may be maintained without foreclosing or waiving the lien herein created to secure the same.

Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid within ten (10) days after it is due, may, upon resolution of the Board of Directors, bear interest at a rate not to exceed the maximum legal rate permitted from time to time in the State of Maryland, and may, by resolution of the Board of Directors, subject the member obligated to pay the same to the payment of such penalty or "late charge" as the Board may fix, and the Association may bring an action at law against the member personally obligated to pay the same, or foreclose on the lien against the lot or lots then belonging to said member in the manner now or hereafter provided for the foreclosure of mortgages, deeds of trust or other liens on real property in the State of Maryland containing a power of sale and consent to a decree, and subject to the same requirements, both substantive and procedural, or as may otherwise from time to time be provided by law, in either of which events interest, costs and reasonable attorneys' fees of not less than twenty percent (20%) of the sum claimed shall be added to the amount of each assessment.

The Board of Directors may post a list of members who are delinquent in the payment of any assessments or other fees which may be due the Association, including any installment thereof, which becomes delinquent, in any prominent location upon The Property.

Section 2. Assessment Certificates. The Association shall upon demand at any time furnish to any member liable for any assessment levied pursuant to this Declaration (or any other party legitimately interested in the same) a certificate in writing signed by an officer of the Association, setting forth the status of said assessment, i.e., whether the same is paid or unpaid. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid. A charge not to exceed Twenty Dollars (\$20.00) may be levied in advance by the Association for each certificate so delivered.

Section 3. Acceleration of Installments. Upon default in the payment of any one or more monthly installments of any assessment levied pursuant to this Declaration, or any other installment thereof, the entire balance of said assessment may be accelerated at the option of the Board of Directors and be declared due and payable in full.

Section 4. Priority of Lien. The lien established by this Declaration shall have preference over any other assessments, liens, judgments or charges of whatever nature, except the following:

(a) general and special assessments for ad valorem real estate taxes on the lot; and

(b) the liens of any deeds of trust, mortgage instruments or encumbrances duly recorded on the lot prior to the assessment thereon of the lien provided for in this Declaration or duly recorded on said lot after receipt of a written statement from the Board of Directors reflecting that payments on said lien were current as of the date of recordation of said deed of trust, mortgage instrument or encumbrance.

Notwithstanding any other provision of this Declaration to the contrary, the lien of any assessment levied pursuant to this Declaration upon any lot, as in this Article provided, shall be subordinate to the lien of any deed of trust, mortgage or other encumbrance duly recorded on such lot and made in good faith and for value received and shall in no way affect the rights of the holder of any such deed of trust, mortgage or other encumbrance; provided, however, that such subordination shall apply only to assessments, and installments thereof, which have become due and payable prior to a sale or transfer of the lot pursuant to a foreclosure of such deed of trust, mortgage or other encumbrance, or any deed, assignment or other proceeding or arrangement in lieu of foreclosure. Any holder of any deed of trust, mortgage or other encumbrance duly recorded on the lot and made in good faith and for value received who comes into possession of the lot pursuant to a foreclosure of such deed of trust, mortgage or other encumbrance, or any deed, assignment or other proceeding or arrangement in lieu of foreclosure, and any other purchaser at a foreclosure sale, shall take the lot free of any claims for unpaid maintenance assessments levied against the lot which accrue prior to the time such holder comes into possession of the lot or prior to the foreclosure sale, except for claims for a proportionate share of such unpaid maintenance assessments resulting from a reallocation of such unpaid maintenance assessments among the lots upon The Property. Such foreclosure, deed, assignment or other proceeding or arrangement in lieu of foreclosure shall not, however, relieve the mortgagee in possession or the purchaser at any foreclosure sale from any liability for any maintenance assessments thereafter becoming due, or from the lien herein created to secure the payment of such maintenance assessments, which said lien, if any claimed, shall have the same effect and be enforced in the same manner as provided herein.

No amendment to this Section shall affect the rights of the holder of any first mortgage on any lot (or the indebtedness secured thereby); recorded prior to recordation of such amendment unless the holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

The Board of Directors may, in its sole and absolute discretion, extend the provisions of this Section to the holders of mortgages (or in the indebtedness secured thereby) not otherwise entitled thereto.

Section 5. Additional Default. Any recorded first mortgage secured on a lot in The Property shall provide that any default by the mortgagor in the payment of any assessment levied pursuant to this Declaration, or any installment thereof, shall likewise be a default in such mortgage (or the indebtedness secured thereby); but failure to include such a provision in any such mortgage shall not affect the validity or priority thereof and the protection extended to the holder of such mortgage (or the indebtedness secured thereby) by reason of Section 4 of this Article shall not be altered, modified or diminished by reason of such failure.

Section 6. Commencement of Annual Assessments. Except as may be otherwise resolved by the Board of Directors of the Association, the annual maintenance assessment for each Class A membership shall commence on the date a deed for the lot to which such membership is appurtenant is delivered by the Declarant to the member. The first monthly installment of each such annual assessment shall be made for the balance of the month during which a deed for the lot is delivered to the member and shall become due and payable and a lien on the date a deed for the lot is delivered to the member. Except as hereinafter provided, the monthly installments of each such annual assessment for any lot for any month after the first month shall become due and payable and a lien on the first day of each successive month.

Section 7. Assessment of Declarant. Anything in this Declaration to the contrary notwithstanding, no lot held by the Declarant or the maker of any Supplementary Declaration made pursuant to Section 2 of Article II of this Declaration for the purpose of annexing additional property shall be subject to assessment by the Association until sixty (60) days following the issuance by the appropriate agency of Montgomery County, Maryland, of a Certificate of Occupancy, or the like, for a dwelling or dwellings constructed upon such lot or the substantial completion of such dwelling, whichever shall first occur.

Anything in this Declaration to the contrary notwithstanding, any regular or special assessment levied by the Association for any lot held by the Declarant or the maker of any Supplementary Declaration made pursuant to Section 2 of Article II of this Declaration for the purpose of annexing additional property shall be in an amount equal to twenty-five percent (25%) of the assessment levied by the Association against lots held by the Class A members.

Section 8. Exempt Property. No portion of the common areas or community facilities shall be subject to assessment of any kind by the Association.

ARTICLE VIII

Section 1. Architectural and Environmental Control Committee.  
Except for construction or development by, for or under contract with the Declarant, and except for any improvements to any lot or to the common areas accomplished by the Declarant concurrently with said construction and development, and except for purposes of proper maintenance and repair, no building, fence, wall or other improvements or structures shall be commenced, directed, placed, moved, altered or maintained upon The Property, nor shall any exterior addition to or change (including any change of color) or other alteration thereupon be made until the complete plans and specifications showing the location, nature, shape, height, material, color, type of construction and any other proposed form of change (including, without limitation, any other information specified by the Architectural and Environmental Control Committee) shall have been submitted to and approved in writing as to safety, harmony of external design, color and location in relation to surrounding structures and topography and conformity with the design concept for the community by an Architectural and Environmental Control Committee designated by the Board of Directors.

Subject to the same limitations as hereinabove provided for, it shall be prohibited to install, erect, attach, apply, paste, hinge, screw, nail, build, alter, remove or construct any lighting, shades, screens, awnings, patio covers, fences, wall, slabs, sidewalks, curbs, gutters, patios, balconies, porches, driveways, or to make any change or otherwise alter (including any alteration in color) in any manner whatsoever the exterior of any improvements constructed upon any lot or upon any of the common areas, or to combine or otherwise join two or more dwellings, or to partition the same after combination, or to remove or alter any windows or exterior doors of any dwelling, until the complete plans and specifications, showing the location, nature, shape, height, material color, type of construction and any other proposed form of change (including, without limitation, any other information specified by the Architectural and Environmental Control Committee) shall have been submitted to and approved in writing as to safety, harmony of external design, color and location in relation to surrounding structures and topography and conformity with the design concept for the community by the Architectural and Environmental Control Committee designated by the Board of Directors.

Section 2. Architectural and Environmental Control Committee - Operation. The Board of Directors shall appoint an Architectural and Environmental Control Committee. The Architectural and Environmental Control Committee shall be composed of three (3) or more natural persons designated from time to time by the Board of Directors. The affirmative vote of a majority of the members of the Architectural and Environmental Control Committee shall be required in order to adopt or promulgate any rule or regulation, or to make any finding, determination, ruling or order, or to issue any permit, consent, authorization, approval or the like pursuant to the authority contained in this Article.

Section 3. Approvals, etc. Upon approval by the Architectural and Environmental Control Committee of any plans and specifications submitted pursuant to the provisions of this Article, a copy of such plans and specifications, as approved, shall be deposited among the permanent records of such Committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. In the event the Committee fails to approve or disapprove any plans and specifications which may be submitted to it pursuant to the provisions of this Article within sixty (60) days after such plans and specifications (and all other materials and information required by the Architectural and Environmental Control Committee) have been submitted to it in writing, then approval will not be required and this Article will be deemed to have been fully complied with.

Section 4. Limitations. Construction or alterations in accordance with plans and specifications approved by the Architectural and Environmental Control Committee pursuant to the provisions of this Article shall be commenced within six (6) months following the date upon which the same are approved by the Committee (whether by affirmative action or by forbearance from action, as in Section 3 of this Article provided), and shall be substantially completed within twelve (12) months following the date of commencement, or within such other period as the Committee shall specify in its approval. In the event construction is not commenced within the period aforesaid, then approval of the plans and specifications by the Committee shall be conclusively deemed to have lapsed and compliance with the provisions of this Article shall again be required. There shall be no deviation from the plans and specifications approved by the Committee without the prior consent in writing of the Committee. Approval of any particular plans and specifications or design shall not be construed as a waiver of the right of the Committee to disapprove such plans and specifications, or any elements or features thereof, in the event such plans and specifications are subsequently submitted for use in any other instance.

Section 5. Certificate of Compliance. Upon the completion of any construction or alterations or other improvements or structure in accordance with plans and specifications approved by the Architectural and Environmental Control Committee in accordance with the provisions of this Article, the Architectural and Environmental Control Committee shall, at the request of the owners thereof, issue a certificate of compliance which shall be prima facie evidence that such construction, alteration or other improvements referenced in such certificate have been approved by the Architectural and Environmental Control Committee and constructed or installed in full compliance with the provisions of this Article and with such other provisions and requirements of the Declaration as may be applicable.

Section 6. Rules and Regulations, etc. The Architectural and Environmental Control Committee may from time to time adopt and promulgate such rules and regulations regarding the form and content of plans and specifications to be submitted for approval and may publish and record such statements of policy, standards, guidelines and establish such criteria relative to architectural styles or details, fences, colors, set-backs, materials or other matters relative to architectural control and the protection of the environment, as it may consider necessary or appropriate. No such rules, regulations, statements, criteria or the like shall be construed as a waiver of the provisions of this Article or any other provision or requirement of this Declaration. The Architectural and Environmental Control Committee may charge and collect a reasonable fee for the examination of any plans and specifications submitted for approval pursuant to the provisions of this Article. The decisions of the Architectural and Environmental Control Committee shall be final except that any member who is aggrieved by any action or forbearance from action by the Committee (or by any policy, standards or guidelines established by the Committee) may appeal the decision of the Architectural and Environmental Control Committee to the Board of Directors and, upon the request of such member, shall be entitled to a hearing before the Board of Directors of the Association.

Section 7. Prohibited Uses and Nuisances. Except for the activities of the Declarant during the construction or development of the community, or except with the prior written approval of the Board of Directors of the Association or the Architectural and Environmental Control Committee, or as may be necessary in connection with reasonable and necessary repairs or maintenance to any dwelling or upon the common areas:

(a) no noxious or offensive trade or activity shall be carried on upon any lot or within any dwelling, nor shall anything be done therein or thereon, which may be or become an annoyance or nuisance to the neighborhood or other members. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell or other sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any dwelling or upon the exterior of any other improvements.

(b) the maintenance, keeping, boarding or raising of animals, livestock, or poultry of any kind, regardless of number, shall be and is hereby prohibited on any lot or within any dwelling, except that this shall not prohibit the keeping of dogs, cats or caged birds as domestic pets provided they are not kept, bred or maintained for commercial purposes and, provided further, that such domestic pets are not a source of annoyance or nuisance to the neighborhood or other members. The Board of Directors or, upon resolution of the Board of Directors, the Architectural and Environmental Control Committee, shall have the authority, after hearing, to determine whether a particular pet is a nuisance or a source of annoyance to other members, and such determination shall be conclusive. Pets shall be attended at all times and shall be registered, licensed and inoculated as may from time to time be required by law. Pets shall not be permitted upon the common areas unless accompanied by a responsible person and unless they are carried or leashed. The Board of Directors shall have the right to adopt such additional rules and regulations regarding pets as it may from time to time consider necessary or appropriate.

(c) no burning of any trash and no accumulation or storage of litter, lumber, scrap metals, refuse, bulk materials, waste, new or used building materials, or trash of any other kind shall be permitted on any lot.

(d) except as hereinafter provided, no junk vehicle, commercial vehicle, trailer, camper, camp truck, house trailer, boat or other similar machinery or equipment of any kind or character (except for such equipment and machinery as may be reasonable, customary and usual in connection with the use and maintenance of any dwelling and except for such equipment and machinery as the Association may require in connection with the maintenance and operation of the common areas and community facilities) shall be kept upon The Property nor (except for bona fide emergencies) shall the repair or extraordinary maintenance of automobiles or other vehicles be carried out thereon. The Association may, in the discretion of the Architectural and Environmental Control Committee, provide and maintain a suitable area designated for the parking of such vehicles or the like.

(e) trash and garbage containers shall not be permitted to remain in public view except on days of trash collection. No incinerator shall be kept or maintained upon any lot. Garbage, trash and other refuse shall be placed in covered containers.

(f) no lot shall be divided or subdivided and no portion of any lot (other than the entire lot) shall be transferred or conveyed for any purpose. No portion of any dwelling (other than the entire dwelling) shall be leased. The provisions of this subsection shall not apply to the Declarant and, further, the provisions hereof shall not be construed to prohibit the granting of any easement or right-of-way to any municipality, political subdivision, public utility or other public body or authority, or to the Association, the Declarant or any other person for any purpose.

(g) except for hoses and the like which are reasonably necessary in connection with normal lawn maintenance, no water pipe, sewer pipe, gas pipe, drainage pipe, television cable or similar transmission line shall be installed or maintained on any lot above the surface of the ground.

(h) no lot shall be used for the purpose of boring, mining, quarrying, exploring for or removing oil or other hydrocarbons, minerals, gravel or earth.

(i) no sound hardwood trees measuring in excess of six (6) inches in diameter two (2) feet above the ground shall be removed from any lot without written approval of the Association acting through the Architectural and Environmental Control Committee or duly appointed subcommittee. The Architectural and Environmental Control Committee may from time to time adopt and promulgate such additional rules and regulations regarding the preservation of trees and other natural resources and wildlife as it may consider appropriate.

(j) no structure of a temporary character, and no trailer, tent, shack, barn, pen, kennel, run, stable, outdoor clothes dryer, shed or other buildings shall be erected, used or maintained on any lot at any time.

(k) except for entrance signs, directional signs, signs for traffic control or safety, community "theme areas" and such promotional sign or signs as may be maintained by the Declarant or the Association, no signs or advertising devices of any character shall be erected, posted or displayed upon, in or about any lot or dwelling, provided, however, that one sign not exceeding two (2) square feet in area and not illuminated may be attached to a dwelling where a professional office (as hereinelsewhere in this Declaration defined) is maintained, and provided further, that one temporary real estate sign not exceeding six (6) square feet in area, may be erected upon any lot or attached to any dwelling placed upon the market for sale or rent. Any such temporary real estate sign shall be removed promptly following the sale or rental of such dwelling. The provisions and limitations of this subsection shall not apply to any institutional first mortgagee of any lot who comes into possession of the lot by reason of any remedies provided by law or in such mortgage or as a result of a foreclosure sale or other judicial sale or as a result of any proceeding, arrangement, assignment or deed in lieu of foreclosure.

(l) no structure, planting or other material shall be placed or permitted to remain upon any lot which may damage or interfere with any easement for the installation or maintenance of utilities, or which may unreasonably change, obstruct or retard direction or flow of any drainage channels.

(m) no outside television aerial or radio antenna, or other aerial or antennae for either reception or transmission, shall be maintained upon the Property except that such areals or antennae may be erected and maintained within the dwellings located upon the Property.

(n) except for parking areas within garages, no commercial vehicles or trucks shall be parked upon The Property except on a temporary basis.

(o) except when entering or leaving a garage, all garage doors are to be maintained in a closed position at all times.

(p) no play equipment, including without limitation, basketball backboards, basketball hoops and other equipment associated with either adult or juvenile recreation, shall be attached in any manner to the exterior of any of the improvements located upon The Property. Any basketball backboards, hoops, supporting standards and the like which are permitted to be erected by the Architectural and Environmental Control Committee shall be painted to match the trim color of the dwelling situate upon the lot on which such equipment is constructed.

(q) no member shall make any private or exclusive or proprietary use of any of the common areas except with the specific approval of the Architectural and Environmental Control Committee and then only on a temporary basis and no member shall engage or direct any employee of the Association on any private business of the member during the hours such employee is employed by the Association, nor shall any member direct, supervise or in any manner attempt to assert control over any employee of the Association.

Section 8. Residential Use - Leasing. All dwellings shall be used for private residential purposes exclusively, except that a professional office may be maintained in a dwelling, provided that such maintenance and use is limited to the person actually residing in the dwelling and, provided further, that such maintenance and use is in strict conformity with the provisions of any applicable zoning law, ordinance or regulation. As used in this Section the term "professional office" shall mean rooms used for office purposes by a member of any recognized profession, including doctors, dentists, lawyers, architects and the like, but not including medical or dental clinics. Nothing contained in this Article, or elsewhere in this Declaration, shall be construed to prohibit the Declarant from the use of any lot or dwelling for promotional or display purposes, or as "model homes", a sales office, or the like.

Section 9. Fences. Any fence constructed upon the Property shall be either horizontal rustic, unfinished split rail or vertical split sapling, or vertical board and shall not extend beyond the front building line of the dwelling on the lot upon which any such fence is erected or the front building line of the dwellings on all immediately adjacent lots. No fence shall be more than six (6) feet in height. Chain link and other wire fencing is specifically prohibited; provided, however, that wire mesh (preferably copper) may be attached to the inside of open split rail or other wood fencing. The erection of all fences shall be subject to the provisions of Article VIII of this Declaration.

Section 10. Exterior Siding and Trim Colors. Except for construction or development by, or under contract with, the Declarant, no change in the color of the exterior siding or trim of any dwelling shall be made except in conformity with the following limitations:

(a) as to the townhouse lots, the exterior trim color shall be (McCormick) Swiss Coffee (Q8-36P) and the exterior siding color shall be (McCormick) Tabby Gray.

(b) as to all of the other lots, the exterior trim color may be either (McCormick) Tabby Gray, (McCormick) Swiss Coffee, or (McCormick) Antler Brown and the exterior siding color may be any of the three (3) colors enumerated in this subparagraph (b); provided, however, that the color of the exterior trim and the color of the exterior siding shall not be the same, and either the exterior siding color or the exterior trim color shall be (McCormick) Swiss Coffee.

Section 11. House Rules, etc. There shall be no violation of any rules for the use of the common areas and community facilities or "house rules" or other community rules and regulations not inconsistent with the provisions of this Declaration which may from time to time be adopted by the Board of Directors of the Association and promulgated among the membership by them in writing, and the Board of Directors is hereby and elsewhere in this Declaration authorized to adopt such rules.

Section 12. Enforcement - Right to Remove or Correct Violations.  
In the event any violation or attempted violation of any of the covenants or restrictions contained in this Article shall occur or be maintained upon any lot, or in the event of any other conduct in violation of any of the provisions or requirements of this Article, then the same shall be considered to have been undertaken in violation of this Article and without the approval of the Architectural and Environmental Control Committee required herein, and, upon written notice from the Architectural and Environmental Control Committee, such violation shall be promptly removed or abated. In the event the same is not removed, or the violation is not otherwise terminated or abated, within fifteen (15) days (or such shorter period as may be required in any such notice) after notice of such violation is delivered to the owner of the lot upon which such violation exists, or to the member responsible for such violation if the same shall be committed or attempted on premises other than the lot owned by such member, then the Association shall have the right, through its agents and employees (but only after a resolution of the Architectural and Environmental Control Committee) to enter upon such lot and to take such steps as may be necessary to remove or otherwise terminate or abate such violation and the cost thereof may be assessed against the lot upon which such violation occurred and when so assessed, a statement for the amount thereof shall be rendered to the owner of said lot at which time the assessment shall become due and payable and a continuing lien upon such lot, and a binding personal obligation of the owner of such lot, in all respects (and subject to the same limitations) as provided in Article V of this Declaration. The Association shall have the further right, through its agents, employees or committees, to enter upon and inspect any lot at any reasonable time for the purpose of ascertaining whether any violation of the provisions of this Article or any of the other provisions or requirements of this Declaration, exist on such lot; and neither the Association nor any such agent or employee shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

#### ARTICLE IX

Each wall which is built as part of the original construction of the dwellings upon The Property and placed on the dividing line between lots or partly on one lot and partly on another shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and of liability for property damage due to negligent or willful acts or omissions shall apply thereto.

Section 2. Repairs and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in equal shares. Nothing shall be done by any Owner which impairs the structural integrity of any party wall or which diminishes the fire protection afforded by any party wall. No Owner shall use any party wall for any purpose which creates a hazard or nuisance for any other Owner who makes use of the party wall.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use; without prejudice, however, of the right of any such Owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, any Owner who by his negligent or willful act causes a party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Encroachments. If any portion of a party wall shall encroach upon any adjoining lot, or upon the common areas or community facilities, by reason of reconstruction, settlement or shifting of any building, or otherwise, a valid easement for the encroachment and for the maintenance of the same as long as the building stands, shall exist.

#### ARTICLE X

Section 1. Joint Driveways. Any driveway which is built or installed as part of the original construction upon The Property and which is situated on the dividing line between lots or partly on one lot and partly on another lot or other lots, shall constitute a joint driveway for the equal and common use and benefit of the Owners of any lots or other portions of The Property which it is reasonably designed to serve, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding joint driveways and of liability for property damage due to negligent or willful acts or omissions regarding the same shall apply thereto.

Section 2. Repair and Maintenance. The cost of reasonable repair and maintenance of any joint driveways shall be shared by the Owners who make use of the same, in equal shares.

Section 3. Damage and Destruction. In the event any joint driveway is destroyed or damaged, any Owner who has used the same may restore it, and if the other Owners thereafter make use of the same, they shall contribute to the cost of restoration thereof in equal proportions; without prejudice, however, to the right of any such Owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Easements. There shall be a perpetual and non-exclusive easement in, through and over any such joint driveway reserved to the Owners of any lot or lots upon which the same has been built or installed or which the same has reasonably been designed to serve and no person shall in any way interfere with the free and unobstructed use thereof by said Owners.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

#### ARTICLE XI

Section 1. Management Agent. The Board of Directors may employ for the Association a management agent or manager (the "Management Agent") at a rate of compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall from time to time authorize in writing. The Management Agent shall perform such duties and services as the Board of Directors shall authorize in writing, including, without limitation:

- (a) to establish (with the approval of the Board of Directors of the Association) and provide for the collection of the annual maintenance assessments and any other assessments provided for in this Declaration and to provide for the enforcement of liens therefor in a manner consistent with law and the provisions of this Declaration; and
- (b) to provide for the care, upkeep, maintenance and surveillance of the common areas and community facilities; and
- (c) to designate, hire and dismiss such personnel as may be required for the good working order, maintenance and efficient operation of the common areas and community facilities; and
- (d) to promulgate (with the approval of the Board of Directors of the Association) and enforce such rules and regulations and such restrictions or requirements, "house rules" or the like as may be deemed proper respecting the use of the common areas and community facilities; and
- (e) to provide such other services (including accounting services) for the Association as may be consistent with law and the provisions of this Declaration.

Any management agreement entered into by the Association shall provide inter alia, that such agreement may be terminated by either party, without cause and without the payment of any termination fee, upon ninety (90) days' written notice thereof to the other party. The term of any such management agreement shall not exceed one (1) year; provided, however, that the term of any such management agreement may be renewable by mutual agreement of the parties for successive one-year periods.

Section 2. Limitation of Liability. The Association shall not be liable for any failure of any services to be obtained by the Association or paid for out of the common expense funds, or for injury or damage to person or property caused by the elements or resulting from water which may leak or flow from any portion of the common areas or community facilities, or from any wire, pipe, drain, conduit or the like. The Association shall not be liable to any member for loss or damage, by theft or otherwise, of articles which may be stored upon the common areas or community facilities. No diminution or abatement of assessments, as hereinafter provided for, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the common areas or community facilities, or from any action taken by the Association to comply with any of the provisions of this Declaration or with any law or ordinance or with the order or directive of any municipal or other governmental authority.

#### ARTICLE XII

Section 1. Reservation of Easement Rights by the Declarant. The Declarant hereby reserves a non-exclusive easement and right-of-way in, through, over and across the common areas and community facilities for the purpose of the storage of building supplies and materials, the installation, construction, maintenance, reconstruction and repair of sanitary sewer lines, water lines, cables, CATV cables, utility lines of any kind, storm drains and appurtenances to any of the same, and for all other purposes reasonably related to the completion of construction and the provisions of utility services, whether public or private, to the community and to other property adjacent to, or in the vicinity of, the community. Any and all instruments of conveyancing made by the Declarant to the Association with respect to any of the common areas and community facilities shall be conclusively deemed to incorporate this reservation, whether or not specifically set forth in such instruments. At the request in writing of the Declarant, the Association shall from time to time execute, acknowledge and deliver to the Declarant such further assurances of this reservation as may be necessary.

Section 2. Easements for Utilities and Related Purposes. The Association is authorized and empowered to grant (and shall from time to time grant) such other licenses, easements and rights-of-way over the common areas and community facilities for sewer lines, water lines, electrical cables, telephone cables, gas lines, storm drains, cables, CATV cables, utility lines of any kind, underground conduits and such other purposes related to the provisions of utility and similar services to the community as may be considered necessary and appropriate by the Board of Directors for the orderly maintenance, preservation and enjoyment of the common areas and community facilities and for the preservation of the health, safety, convenience and welfare of the owners of the lots or the Declarant.

Section 3. Easement to Montgomery County, Maryland. The Declarant hereby grants to MONTGOMERY COUNTY, MARYLAND, a municipal body corporate, its agents and contractors, a non-exclusive easement and right-of-way in, through, over and across the common areas and community facilities for all purposes reasonably associated with the inspection, operation, installation construction, reconstruction, maintenance or repair of any storm water management facilities constructed upon The Property; and, in the event that, after reasonable notice to the Association by MONTGOMERY COUNTY, MARYLAND, the Association shall fail to maintain any storm water management facility constructed upon The Property in accordance with applicable law and regulations, then MONTGOMERY COUNTY, MARYLAND may do and perform all necessary repair maintenance work and may assess the Association for the cost of the work and any applicable penalties. The Association shall indemnify and save MONTGOMERY COUNTY, MARYLAND harmless from any and all claims or damages to persons or property arising in connection with the installation, construction, maintenance, repair, operation or use of any storm water management facility constructed upon The Property.

Section 4. Parking and Sidewalk Easements. There is hereby established for the benefit of the owners of the several townhouse lots a perpetual and non-exclusive easement and right-of-way for pedestrian and vehicular ingress, egress and regress, and for the parking of motor vehicles, in, through, over and across the areas described as "Parking and Sidewalk Easement" on "EXHIBIT C" attached hereto in two (2) parts and incorporated herein by this and other reference. Any grant of a townhouse lot made by the Declarant shall be conclusively deemed to incorporate this easement and right-of-way, whether or not specifically set forth in such grant. At the request in writing of either the Declarant or the Association, the owner of any townhouse lot shall, from time to time, execute, acknowledge and deliver such other and further assurances of this easement and right-of-way as may be necessary.

#### ARTICLE XIII

Section 1. Amendment. Subject to the other limitations set forth in this Declaration, prior to the lapse of all of the Class B memberships in the Association, as in Article III provided, this Declaration may be amended only by an instrument executed and acknowledged by two-thirds (2/3) of the Class A members of the Association, if any, and by the Declarant, which instrument shall be recorded among the Land Records for Montgomery County, Maryland. Subject to the other limitations set forth in this Declaration, following the lapse of all of the Class B memberships in the Association, as in Article III provided, this Declaration may be amended by an instrument executed and acknowledged by a majority of the Class A members of the Association, which instrument shall be recorded among the Land Records for Montgomery County, Maryland. Unless a later date is specified in any such instrument, any amendment to this Declaration shall become effective on the date of recording.

Section 2. Duration. Unless amended in accordance with the provisions of Section 1 of this Article and the other requirements of this Declaration, and except where permanent easements or other permanent rights or interests are herein created, the covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the owner of any lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date of recordation of this Declaration, after which the said covenants shall be automatically extended for successive periods of ten (10) years each.

Section 3. Construction and Enforcement. The provisions hereof shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the community. Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenants or restriction, either to restrain or enjoin violation or to recover damages or both, and against any lot to enforce the lien created hereby; and the failure or forbearance by the Association or the owner of any lot to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

The provisions hereof may be enforced, without limitation, by the Association, by any owner or any mortgagee of any lot which becomes subject to the provisions hereof and by any other person, firm, corporation or other legal entity who has any right to the use of any of the common areas and community facilities owned by the Association.

There shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or attempted violation or breach of any of the within covenants or restrictions cannot be adequately remedied by action at law or exclusively by recovery of damages.

Section 4. Successors of Declarant. Any and all rights, reservations, easements, interests, exemptions, privileges and powers of the Declarant hereunder, or any part of them, may be assigned and transferred (exclusively or non-exclusively) by the Declarant, with or without notice to the Association.

Section 5. Incorporation by Reference on Resale. In the event any owner sells or otherwise transfers any lot, any deed purporting to effect such transfer shall contain a provision incorporating by reference the covenants, restrictions, servitudes easements, charges and liens set forth in this Declaration.

Section 6. Notices. Any notice required to be sent to any member or owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, by ordinary mail, postpaid, to the last known address of the person who appears as member or owner on the records of the Association at the time of such mailing.

Section 7. No Dedication to Public Use. Nothing herein contained shall be construed as a dedication to public use or as an acceptance for maintenance of any common areas or community facility by any public or municipal agency, authority, or utility and no public or municipal agency, authority or utility shall have any responsibility or liability for the maintenance or operation of any of the common areas or community facilities.

Section 8. Severability. Invalidation of any one of these covenants or restrictions by judgment, decree or order shall in no way affect any other provisions hereof, each of which shall remain in full force and effect.

Section 9. Consents. Any other provision of this Declaration to the contrary notwithstanding, neither the members, the Board of Directors nor the Association shall, by act or omission, take any of the following actions without the prior written consent and approval of the institutional holders of all first mortgages of record on the lots:

(a) abandon, partition, subdivide, encumber, sell or transfer any of the common areas and community facilities; provided, however, that the granting of rights-of-way, easements and the like for public utilities or for other purposes consistent with the use of the common areas and community facilities by the members of the Association shall not be considered a transfer within the meaning of this Section; or

(b) abandon or terminate this Declaration; or

(c) modify the method of determining and collecting common expense assessments or other assessments as provided for in this Declaration; or

(d) resolve to use the proceeds of casualty insurance for any purpose other than the repair, replacement or reconstruction of the common areas and community facilities; or

(e) modify or amend any material or substantive provision of this Declaration or the By-Laws of the Association.

Section 10. Additional Rights of Mortgagees - Notice. Provided such mortgagee has requested such notice by notice in writing to the Association, the Association shall promptly notify the holder of the first mortgage on any lot for which any assessment levied pursuant to the Declaration or any installment thereof becomes delinquent for a period in excess of thirty (30) days and the Association shall promptly notify the holder of the first mortgage on any lot with respect to which any default in any other provision of this Declaration remains uncured for a period in excess of thirty (30) days following the date of such default. Any failure to give any such notice shall not affect the validity or priority of any first mortgage on any lot and the protection extended in this Declaration to the holder of any such mortgage shall not be altered, modified or diminished by reason of such failure.

No suit or other proceeding may be brought to foreclose the lien for any assessment levied pursuant to this Declaration except after ten (10) days' written notice to the holder of the first mortgage on the lot which is the subject matter of such suit or proceeding.

Any institutional first mortgagee of any lot upon The Property may pay any taxes, utility charges or other charge levied against the common areas and community facilities which are in default and which may or have become a charge or lien against any of the common areas and community facilities and any such institutional first mortgagee may pay any overdue premiums on any hazard insurance policy or secure new hazard insurance coverage on the lapse of any policy, with respect to the common areas and community facilities. Any first mortgagee who advances any such payment shall be due immediate reimbursement of the amount so advanced from the Association.

Section 11. Casualty Losses. In the event of substantial damage or destruction to any of the common areas or community facilities, the Board of Directors of the Association shall give prompt written notice of such damage or destruction to the holders of all first mortgages of record on the lots.
